

Where Do They Sit?

Center for Early Childhood Research

THE UNIVERSITY OF
CHICAGO

Look at the bird! There is **one**!

1

Where does the
one bird sit?

1

The **one** bird sits on the **one** nest!

Can you count the **one** bird?

Can you count the **one** nest?

1

The **one** bird sits on the **one** nest!

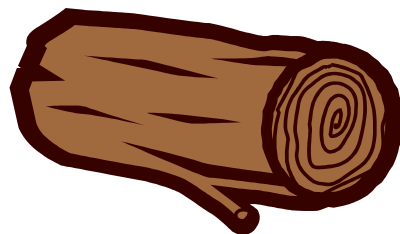

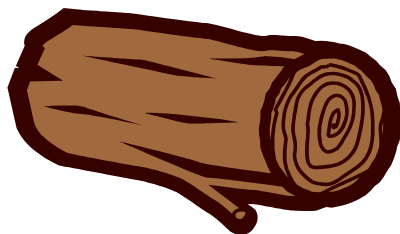

Look at the turtles! There are **two**!

2

Where do the **two**
turtles sit?

2

The **two** turtles sit on the **two** logs!

Can you count the **two** turtles?

Can you count the **two** logs?

2

The **two** turtles sit on the **two** logs!

Look at the frogs!
There are **three**!

3

Where do the
three frogs sit?

3

The **three** frogs sit on the **three** lily pads!

Can you count the **three** frogs?

Can you count the **three** lily pads?

3

The **three** frogs sit on the **three** lily pads!

Now all the animals have
their seats!

How many birds do you see?
How many turtles do you see?
How many frogs do you see?

What else can you count?
